Blades and Scoops

MASTER PARTS BOOK

PREFACE

This publication has been prepared to give our distributors and dealers a complete coverage of Blades and Scoops.

Three new implements are being introduced, plus a rework of art and text on all the other models.

For Dealers a suggested Display of Fast Moving Service Parts can be found on Page 48.

Blades and Scoops

INSTRUCTIONS FOR LOCATING PARTS WITHIN THIS BOOK

1. If the Part Number is not known---
 - a. Turn to the Group Index or the Model Illustrations in the front of the book and ascertain the group in which the part is most likely to appear in the Parts List.
 - b. Turn to the indicated group and refer to the illustration preceding that group and locate the desired part on that illustration.
 - c. Ascertain the item number of the part desired and locate it on the immediately following Parts List by using the "figure" column.
2. If the Part Number is known---
 - a. Turn to the Numerical Index and locate the part in numerical sequence.
 - b. Turn to the page number listed and locate the desired part in the Parts Lists.
